

DELAC Meeting Minutes 03.25.21

Committee reviewed the district plan (LCAP) and actions to support EL students.

Committee reviewed and discussed DELAC parent and teacher surveys: Key findings, Possible action/service, How will the outcomes be measured?, Who will be affected by the action and how will it serve each group?

Parent Survey Committee Input

- How can we make our school an open multilingual friendly campus? Possible district wide EL family night (once allowed by Public Health). With food and child care.
- Parent communication: How can we give parents the comfort level to address any concerns about their child with teachers directly?
- Progress reports for EL students
- Spanish school liaison tools: translation training? WhatsUp app?

Teacher Survey Committee Input

- Multilingual translation assistance and guidance (other than Spanish) for verbal and written materials
- Guidelines in progress report and communication with parents in regards to their child's language development and academic progress.
- Homework assisting tools

Goals to accomplish before our next meeting:

- Providing committee with survey comments
- Conduct small focus groups with families to understand survey responses
