Employee Donations
ALL Students, EQUALLY

In Marin, we pride ourselves on supporting our community, our schools, our students

Marin offers many unique opportunities and experiences, yet dramatic socioeconomic disparities across neighborhoods have created an inequality gap in our schools. SchoolsRule Marin aims to close the gap and give ALL students AMAZING opportunities. YOU can help make a difference in the educational opportunities for ALL students through this PAYROLL DEDUCTION program. It's tax deductible and ALL proceeds go directly to school foundations in support of STUDENTS!

Like raising a CHILD, closing the INEQUALITY gap takes a village. It's PEOPLE who make the DIFFERENCE in creating a COMMUNITY with OPPORTUNITIES for ALL.

As little as \$1 per paycheck will make a DIFFERENCE and help ALL students have AMAZING opportunities.

Because of our generous donors:

- 6,000 elementary students participate in Visual Arts Programs
- 4,000 students with special needs use technology to learn
- 1,400 middle school students have music programs
- Library services have been expanded for students across the county
- School wellness counselors are available to middle school students
- Almost \$2M has been raised and distributed to ALL students!
